MARCH 2018 RUN VOLUMES

Turnout time follows each unit's run volume.
 The calculation accounts for outliers and excludes non-emergency incidents.
 Turnout time is the period between dispatch to time enroute.

OUR MISSION

The Jacksonville Fire & Rescue Department is committed to protecting life, property, and the environment of our great city and county through progressive and professional activities of our five divisions to make things better for those who call.

NOTE: A CALL is a single incident regardless of the number of units that respond. A RUN is a response by a fire or EMS unit to a dispatched incident or call. A run is calculated even when a unit is canceled prior to its arrival.
